SKILLS

- **HTML, CSS, Javascript, Jquery**

EDUCATION

- Bachelor in Computer Application | Nepal College of Information Technology | Pokhara University

- XII | Shree Shanti Namuna Higher Seconday School

ACADEMIC PROJECTS

- **Diary Management System**

  - **Description:** I developed a Diary Management System as my first project during my first college year. This system allows users to create, edit, and delete diary entries, providing a simple and efficient way to manage personal notes and records.
  - **Tools & Technologies:** C programming language

- **Point of Sale System**

  - **Description:** Collaborated on developing a simple Point of Sale System as a group project during the second year of college. This system facilitates sales transactions, inventory management, and receipt generation for small businesses.
  - **Tools & Technologies:** VB.NET

- **Portfolio Website**

  - **Description:** Developed a personal portfolio website to showcase my projects and skills. The website features a responsive design, interactive elements, and a user-friendly interface.
  - **Tools & Technologies:** HTML, CSS, JavaScript, jQuery
